No company was intentionally excluded - the list is the result of a survey conducted earlier this year. Companies wishing to be included in future editions should contact the Marketing Division.

DEALER IN AGRICULTURAL PRODUCTS

The "Dealer in Agricultural Products" law, O.C.G.A. 1956, p.617, requires that anyone engaged in the business of buying agricultural products be licensed and bonded by the Georgia Department of Agriculture. (404) 656-3725.

The "Georgia Always in Good Taste" logo is a registered U. S. trademark of the Georgia Department of Agriculture.

Dear Produce Buyer:

When you are looking for produce, look to Georgia. We have the diversity, quality, dependability, and value you need.

Whether it is standard vegetable offerings such as tomatoes, squash, cabbage, and beans or Southern specialties such as collards, sweet potatoes, and okra, you can find it in Georgia. And let's not forget our sweet carrots and the sweet and unique Vidalia® Onion - you won't find that anywhere else.

Melons, blueberries, peaches and other fruits are plentiful in Georgia, and as the nation's largest producer of peanuts and pecans, we can furnish these nuts to round-out your produce departments.

Besides the great variety of produce grown here in Georgia, we also have a solid reputation for the quality of the commodities we produce. Our growers and distributors offer these commodities in both straight and mixed loads, and with our proximity to Eastern markets, you can be assured of optimum freshness as well.

Diversity, quality, dependability - it just makes good sense to purchase Georgia-grown fruits, vegetables, and nuts.

Sincerely,

A handwritten signature in black ink that reads "Tommy Irvin". The signature is written in a cursive style with a large, looping initial "T" and a long horizontal stroke at the end.

Georgia Fruit and Vegetable Growers Association

Fruit and vegetable production in Georgia is a \$1.2 billion industry. The Georgia Fruit & Vegetable Growers' Association provides a viable and united voice to represent and promote the produce industry in the state and to foster the needs of this industry.

Programs offered by the GFVGA include:

- Farm tours for retail/food service buyers
- Educational Conferences and Annual Trade Show
- Workers' Compensation Insurance
- Farm "Food Safety" Certification programs
- Representation on National Produce Councils and organizations
- Group purchase discount programs
- Promotion and Marketing opportunities
- Updates on legislative and regulatory issues
