

800 Meters Documentation Sheet

<p>Give a description of a path that you think would be 800 meters long.</p>	
<p>After measuring out the actual 800 meter path, describe where it began and where it ended.</p>	
<p>Do you think that same 800 meter path would be more in yards or less in yards?</p>	
<p>How many yards did the 800 meter path turn out to be?</p>
