

## **Episode 119: "The Little Red Hen" - Activity 19**

Working with your child, create a special grouping of his/her favorite stuffed animals. Have your child identify animals in Spanish wherever applicable (i.e., el gato for cat, el oso for bear, el perro for dog, el lobo for wolf, el chivo for goat). To extend the activity, encourage your child to suggest ways to sort the collection of animals (e.g., animals with long ears and animals that do not have long ears, animals that are brown and those that are not brown, etc.). Try sorting according to the suggested method(s). Discuss the different sorts as they occur. Count the animals in each sorted pile, using Spanish number words.
