

# NOTE-TAKING GUIDE: Unit 10, SEGMENT E

Name:

Date:

Main Id	eas,	Key	Points,
<b>Ouestio</b>	ns:		

After watching the video segment, write down key points, main ideas and big questions.

### Objective(s):

• To design and carry out an investigation of Le Chatelier's principle.

### **Notes:**

During the video segment, use words, phrases or drawings to take notes.

#### Summary:

After watching the video segment, write at least three sentences explaining what you learned. You can ask yourself: "If I was going to explain this to someone else, what would I say?"

# QUESTIONS TO CONSIDER: Unit 10, SEGMENT E

Name:

Date:

After watching the video and performing any associated labs and/or experiments, you should be able to answer the following:

1.	State the goal of your Le Chatelier's Principle experiment.
2.	Write a short description of your procedure (two or three sentences).
3.	What data will you collect in your data table?
4.	What safety procedures will you include?
You	u will now begin your experiment and collect data. Once completed, you may continue by watching the Unit 10F video.
