

SALSA

Episode 102: “Making Soup” - Activity 2

Make a wall poster of things that are “caliente” (hot) and things that are “frío” (cold). Divide a piece of posterboard or other large-sized paper in half. Label one side of the poster with the word “caliente” and the other side with “frío.” Ask your child to search (with you) through appropriate magazines to find pictures of objects that show things that are “caliente” and “frío.” Have your child cut out the pictures and paste them under the correct label. Provide assistance as needed with reading the words. Leave the poster displayed with the magazines, paste, and scissors so your child may add to it at other times during the day. Display the finished product in a prominent place so it may be referenced or discussed as the child desires or as an adult wishes for review purposes.
