"I Tried It" Taste Test

Sometimes when you solve problems, you have to try again and again to find the right answer. You can do the same thing with food! If you try lots of different foods, you will find something you really love.

Try out foods from each category:

A Fruit, like an apple or a .

A Vegetable, like broccoli or a .

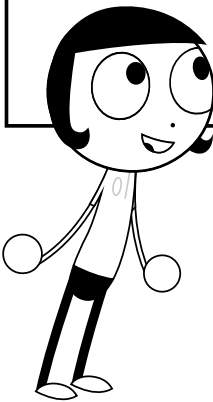

A Protein, like  or nuts.

A Dairy Food, like  or yogurt.

Or a Grain Food, like  or cereal.

Then, draw or write the name of the food you tried in the box for each category and check the box for your result. Was it yummy, so-so, or not so good?

A Fruit	 Yum!	 So-So	 Not So Good
A Vegetable	 Yum!	 So-So	 Not So Good

Taking Turns

Practice taking turns with a spinner you make yourself.

Materials

- Blunt-nosed scissors
- Cardboard or heavy paper
- Brass paper fastener
- Marker
- Paper or index cards

Directions

Cut paper into 3 x 5-inch pieces to use as instruction cards. Ask the children to think of activities to write on the cards. Here are a few suggestions:

- Clap your hands
- Whisper "no, thank you"
- Turn around
- Touch your toes
- Shout "yes, please"
- Say your name
- Knock on the door

Mix up the cards. Have a child pick a card, then spin the spinner to see how many times to do what the card says. For example, if the spinner stops on four and the card says "Say your name," the child will say his or her name four times.

Jet's Backyard Scrapbook

In **READY JET GO!**, Jet and his family come from a make-believe planet called **Bortron 7** that orbits a red dwarf star. A planet orbiting around a red dwarf star would look very different from Earth. For one thing, the sunlight would be redder and cooler than our Sun's warm yellow-white glow. Since plants use sunlight to grow, they would probably look very different than plants on Earth. Maybe they would be red or purple instead of mostly green!

← Imagine what Jet's backyard looks like and draw it here.

BORTRON 7

Now, draw your backyard on Earth! How is your planet different from Jet's? Include our Sun and plants found in your neighborhood.

Back-to-School Checklist

(check boxes for each item below)

I practiced my morning routine 3 times.

I woke up, got dressed, washed up, brushed my teeth and ate my breakfast just like I'll do on school days - three days in a row!

I learned how to walk to school or to my bus stop.

I know where my school or bus stop is, and who I'll walk to school or wait at my bus stop with each morning. I also know how I'll get home after school each day.

I organized all my clothes!

I know where I put all my clothes including the clothes I wear to school each day. I also know where to put my clothes when they're dirty.

I know where I'll put my backpack, books and school supplies each day.

I have a special place to keep my school bag and books so I will always be able to find them when I need them.

I'm healthy.

I've visited my doctor for my back-to-school check-up. I know how tall I am and how much I weigh.

I know what I'm having for lunch.

I know how to order my lunch at school, or what I'll bring in my lunch box each day.

My parents and I know who my teacher is.

I know my teacher's name, and my parents know how to contact my teacher if they have questions about how I'm doing in school.

I know what I'm doing when I get home from school each day.

My parents and I know what my afternoon schedule is. We know where I'll be after school, when I can play with friends, when I need to do school work, when I'll have dinner and when it's bedtime.
