TO: Congressman David Scott
Re: Gov't Health Care legislation

First, as a member CBC caucus,
you are a fascist because
whites are denied membership.

Secondly, you shall not be
reelected next year; you are
going to go down in defeat,
and any of your colored
constituents quit you'll
stop it. The folks are not
going to stand for social-
ized medicine even though
most negro's refuse to
stand on their own two feet.
You're through; by your own
words, you are done!
