**Writer’s Eyes**

1. I see **capital letters** at the beginning of sentences.

2. I see **finger spaces** between neatly written words.

3. I see **punctuation** at the end of every sentence.

4. I see **capital letters** at the beginning of proper nouns.

5. I see words that tell **who, what, when, where, why, and how**.

6. I see "**words I use when I write**" words spelled correctly.

7. I see an **indent** at the beginning of each paragraph.

8. I see **commas** between words in a series.

9. I see **quotation marks** before and after a speaker’s words.
