Episode 116: “Monster Mayhem” - Activity 16

Play an amended version of the game “I Packed My Bag.”

Directions:

Player one starts out saying, “I packed the bag of “el monstruo” (the monster) and in it I put a(n) _____.” (For example: “I packed the bag of “el monstruo “and in it I put a hairbrush.”) The next player continues the game by repeating what the first person said and adding his/her own item to the list. Play continues as each player repeats the sentence in correct word order and then adds an item to the growing list of packed items. (In this version of the game, players having difficulty with sequence or word order may enlist the help of other players.) At the end of a round, provide each child with a piece of paper and ask him/her to draw the items that were put in the bag of “el monstruo.” Ask them to add a drawing of “el monstruo “ to the page with the packed items so we will know what the monster looks like.
