ARE YOU UP FOR
THE CHALLENGE?

Pirate Cove

Learn about pirates and buoyancy and talk like a pirate!

WHAT YOU NEED

To Make the Boat:

Some foil sheets

Some popsicle sticks

For the Booty and Ocean:

Coins or small weighty objects

A watertight container with at least 6" of water

Related Georgia Standards of Excellence

2nd Grade Science

2nd Grade English Language Arts

Send Us a Video of your Pirate Cove Challenge

In your video tell us your name and where you live.

Don't forget to talk like a pirate!

Tell us about your boat and how much treasure it can hold.

Tell us about any problems you had and how you solved them!

Ask your parents or an adult to send your video to education@gpb.org or tag

@gpbeducation on Twitter or Facebook. Your video could be featured on gpb.org!
