

Once upon a time

there was a

scientist in his lab.

He was scanning his

computer and saw

a big fire.

monster. He pressed

a button and

called the super.

muncies. One av

the muncies used

his layser use to

beam the fier.

monster. He caught

the layser beam!

He shot a fier ball

and a nuther

muncie used his

use breath to block

it. Then both were

the mummies used

their powers to

destroy the fier

monster!
