

Name: _____

Date: _____

INSTRUCTIONS: Did you know that the peanut is a world traveler? You can track its journey across the globe by writing the correct countries and centuries in the boxes below. Then draw "peanut footsteps" from where they most likely originated to see how far the peanut traveled before arriving in the United States!

COUNTRIES/CONTINENTS:

- Peru
- Brazil
- Mexico
- Spain
- Asia
- Africa
- United States

CENTURIES:

- 1500
- 1600-1700
- 1800
- 1900-2000

Peanut Footsteps can look like this!

WRITE ABOUT IT!

Peanuts are used in a variety of foods and products around the world. Choose two of the countries above and research a popular way the peanut is used in those places. In complete sentences, explain how those peanut products are similar or different from peanut products you have in your community.
