COMPARING ENERGY RESOURCES

DIRECTIONS: There are a lot of different sources of energy in the world. Each one has positive and negative aspects. Conduct research on each of the energy resources in the table below. List two pros and two cons for each resource.

Pros (List 2)	Energy Resource	Cons (List 2)
	Biomass	
	Geothermal	
	Uranium-nuclear	
	Wind	
	Solar	
	Propane	

	Hydropower	
	Coal	
	Natural gas	
	Petroleum
