

Get Groovin'

Cut out all of the pose cards below and arrange them to create a dance pattern. Then move and groove to act out your custom dance!

Learning goals:

1. Develop and employ computational thinking strategies (break-down, find patterns, and create algorithms) to identify and solve problems. (computer science)
2. Look for and make use of structure. (mathematics)

¡A bailar!

Recorta las tarjetas de poses que aparecen debajo y ordénalas para crear una coreografía. ¡Imita las poses y practica el baile que creaste!

Objetivos de aprendizaje:

1. Desarrollar y aplicar estrategias de razonamiento computacional (descomponer, identificar patrones y crear algoritmos) para identificar y resolver problemas. (computación)
2. Identificar y utilizar estructuras. (matemáticas)
